

**PT. EDMAR MANDIRI JAYA**  
*Your Trusted Partner in Fishery*

# COMPANY PROFILE

Certified :

## Company History

PT. Edmar Mandiri Jaya was established in 2012 and is located in Surabaya, with a vision to become a trusted partner in the fisheries industry. We provide a range of services including fish sourcing, processing, and quality control. With our experience and established partnerships, we are able to cater to a wide variety of seafood products. Our product portfolio includes both freshwater and marine products such as skipjack tuna, tuna, milkfish, squid, octopus, and more. Since its inception in 2012, PT. Edmar Mandiri Jaya has experienced rapid growth and has built our own processing facility in Sidoarjo.

## Vission

Becoming a trusted partner in the supply of fish, with the highest standards in safety, quality, and sustainability.

## Mission

Achieving customer satisfaction through process optimization, product expertise, and system efficiency.
