# WELCOME TO PT. SUMBER USAHA NUSANTARA

Starting our business as a local supplier for soft shell crab for years until we establish our company PT. Sumber Usaha Nusantara in 2020. PT. Sumber Usaha Nusantara is a privately-owned seafood processor company in Medan - North Sumatera, Indonesia. We have competed with a superior seafood processor in Medan by gaining some portions of markets in Taiwan, Australia, Malaysia, and Singapore. We believe that every success in business started from a strong foundation of a relationship to get our products to all over the world.
