**PT. KARYA AGUNG LESTARI JAYA**

# COMPANY PROFILE

Our business was first established on 1998 in Belawan, North Sumatra, Indonesia.

We started with fishing boats. Fishery is a good business and we have 3 fishing vessels that operate full time with catching area around Indian Ocean, Malacca Strait, Natuna waters and South China Sea.

Early of 2005, we started to process fishery products for export, like : Frozen Fish, Cuttle fish, Squid, Top shell, Scallops, Baby Octopus and Clams. On 2008, we started to concentrate on Baby octopus , Cut Poulp Squid and Indian Mackerel. Our main markets are Korea, Japan, Taiwan, Australia, Thailand and Russia.

We have 150 workers in our factory with per month capacity 120 – 150 MT depends on Raw Material quantity. Sales amount is around 3,000,000 USD per year. Main sizes for Baby Octopus are 5/15, 16/25, 26/40, 41/60, 61/80, 81/up ( pcs/kg ). We process it 2 kg x 6 / carton.

We can supply in Whole Cleaned or Whole Round products depend on inquiries. Any customize sizes can also be discussed further with us.
